

# A Comparison of Lancaster's Percentage of Earnings from the Services Sector 2001-2006

Source: Bureau of Economic Analysis

**Continuing the trend seen from 1969-1999, the percentage of earnings from the services sector has increased in Lancaster through 2006, as it has with the rest of the nation and comparison areas. However, Lancaster has continued to lag behind the rest of the nation and comparison areas in terms of the rate of growth.**

\*Includes the following separate categories: Information; Professional and Technical; Management of Companies and Enterprises; Administrative and Waste; Educational; Health Care and Social Assistance; Arts, Entertainment, and Recreation; Accommodation and Food Services; and Other Services except Public Administration.
