Additional Services Available: These services can vary widely depending on the size of the gathering and the size of the entertainment or equipment. We will show you all the options and work with within your budget.

Entertainment: Ideas include: DJ’s, Bands, GLOW Parties, White Out Parties
Sound & Lights: This can be very cost effective up to really expensive. We will work with you to make sure the right system is used for your event. Oversized systems can ruin your event.
Photo Booth: Pricing varies depending on the time of year.
Photographer: There are many reasonable photographers available (unless it’s wedding season)

For example, a party for 225 people with a DJ and perfectly sized sound and lights would cost approximately $1,350.
