SELECTING A ROOMMATE

- When you add a roommate, the student you requested will receive an email informing them that you have selected them as a roommate. Until the student selects you as a roommate, your roommate request will be marked as “Does Not Match”. You will need to wait for that student to also request you as a roommate in order for you all to be marked as “Matches”. It is required that all of your roommate requests are marked as “Matches” in order for your roommate group to be complete.

- If a roommate request’s status is “Not Eligible” or “Student Assigned”, you should not select this student as a roommate, because he/she will not be able to participate in room selection.
Added a Roommate by Accident

- If you accidentally added a roommate in error, simply click the “Remove” button next to that student. He/she will be informed that they were removed as a roommate.
Roommate Group

- Until all requested roommates accept your screen will say “You have an unmatched roommate group”.

- Once all requests have been accepted your screen will say, “Your roommate group is fully matched”.

- If your roommate group is not fully matched, you will NOT be able to select a room when your selection time is activated.
Contingency Plan

- If your roommate group is 4 people you will only be able to see 4 person spaces available at the time of your selection.

- If you would like to view 3 person spaces you will need to remove a friend from your group. You will then see available 3 person spaces. The person you removed from the roommate group will receive an email that they have been removed from the group.
Viewing Available Rooms

Once the selection phase has started, you will be able to login to view which rooms are available. However, you will not be able to actually SELECT a room until your selection time is ACTIVE.

To view available rooms, login to My Housing and choose “Select a Room/Suite” from the Room Selection Menu.
Selecting a Room

- When you have found the room/apartment that you wish to choose, click “Select Room”. Please review the pricing prior to clicking “Select Room”. You will then go to the “Room Booking Screen”.

- The “Room Booking Screen” is where you will place you and your roommates in their particular room.

- You may not place the same student more than once.

- You may not leave a spot empty.
Completing the Process

- Once you have submitted your room booking you will NOT be able to go back and make changes. Requests for changes to your room selection should be emailed to Lori Foust, College Residential Coordinator at lori.foust@fandm.edu.

- Please copy all roommates in the group so that all are aware of the changes being requested.
WAITING LIST

If you do not see any housing that you wish to select, please email lori.foust@fandm.edu to request to be placed on the waiting list. Please also list the room type you wish, for example, a single room, a double room, a suite room or a single room in an off campus apartment.
Selecting a Dining Plan

- On April 1st or after, you may log in to My Housing Self-Service to select a Dining Plan option for Fall 2016.

- Please remember all sophomores are required to carry either the 150 or the 225 block meal plan.

- Juniors and seniors may select from any of the available meal plan options.

- Juniors and seniors are also permitted to opt out altogether and not carry a meal plan.

- Bens Bucks can be purchased at the cashier window.

- To cancel a meal plan, please email lori.foust@fandm.edu.
- Happy Room Hunting.
- Good Luck!!
