**General Instructions**

1. Press the **Power** button on the Sharp Remote to turn on the Plasma TV. (Aim the remote towards the center, lower portion of the screen.)
2. Press the **Input** button on the remote (to right of CH up/down button), to see the onscreen menu selection of inputs.
3. Use the up/down arrow keys and **Enter** on the remote to make a selection:
   - **TV** (CATV)
   - **BDF8520** (the Blu-Ray player)
   - **1) HDMI1** (an HDMI device)
   - **PC IN** (a Laptop)
4. Control the Volume with the **VOL +/-** and **mute** buttons on the remote.

**To Display a laptop**

1. Attach your laptop to the provided VGA cable. You may also attach the audio cable if desired.
2. Choose **Input : PC IN** using the Sharp Plasma TV remote.

**To playback a Blu-ray disc or DVD**

1. Press the **Power** button on the LG Blu-Ray Disc Player remote.
2. Press the **open/close** button on the remote to eject the Disc tray.
3. Insert your disc. Press **open/close** again to close the tray.
4. Choose **Input : BDF8520** using the Sharp Plasma TV remote.
5. Operate the DVD player using the playback and navigational controls on the LG remote.

**To Display an HDMI device**

1. Attach your device to the provided HDMI cable.
2. Choose **Input : HDMI1** using the Sharp Plasma TV remote.
3. Operate using the controls on your HDMI device.

**Shutdown**

1. Eject all DVD discs.
2. Neatly coil up all cables and place them back on their shelf.
3. Press the **Power** button on the Sharp remote to turn off the Plasma TV.
4. Place both remotes back in the drawer.
