General Instructions
1. If you wish to use the Blu-Ray/DVD player, see the Music Department Coordinator in Meyran 107, first, to pick up the LG Blu-Ray Player Remote.
2. Locate the A/V box on the wall on the front right side of the room.
3. Verify that the red power switch is ON at the top of the wall-mounted A/V box. It should be illuminated.
4. Press the Display ON button. It will flash until the projector has warmed up.
5. Select your Source:
   - HDMI
   - BLU-RAY (Blu-ray or DVD)
6. Control the volume by adjusting the Volume knob.
7. Hide the image, and mute the sound momentarily by pressing AV Mute.
   (*N.B. - Do not use AV Mute to shut off the projector at the end of class, you will damage it. Always shut down by pressing the Display OFF button.)

To Play an HDMI Source
1. Attach your HDMI source to the provided HDMI cable
2. Press the HDMI source button.
3. When done, coil up the HDMI cable and place it back on its shelf.

To Display a Laptop
1. Attach your laptop to the provided VGA cable (attach the audio cable if you wish)
2. Press the VGA source button.
3. When done, coil up the VGA cable and place it back on its shelf.

To Playback a Blu-ray disc or DVD
1. Press the Power button on the LG Blu-Ray Disc Player remote to turn on the player.
2. Press the open/close button on the remote to eject the Disc tray.
3. Insert your disc. Press open/close again to close the tray.
4. Choose BLU-RAY source on the rack.
5. Operate the DVD player using the playback and navigational controls on the LG remote.

Shutdown
1. Eject all DVD discs
2. Neatly coil up all cables and place them back on their shelf.
3. Press and hold the Display OFF button till it begins to flash. You can then release it. You will hear the projector fan stop and then a beep when it turns OFF.
4. Return the LG Blu-Ray Player remote to the Music Department Coordinator in Meyran 107.
