In a “Writing Across the Curriculum” general education program, all faculty teach writing. In that spirit, these workshops provide a forum to discuss ways for faculty from all disciplines to incorporate writing into classroom instruction. Each ninety-minute workshop will feature presentations from two to three faculty members sharing their pedagogical strategies— with plenty of time for follow-up discussion.

**Tuesday, January 20, 2015, 11:30 a.m.–1 p.m.**
“Encouraging Revision”

**Tuesday, February 10, 2015, 11:30 a.m.–1 p.m.**
