Printing an Electronic W2 from Inside F&M
To print an electronic version of your W2, log in to Inside F&M and click on the My Info tab.
On the My Info page, click on Tax Forms in the Employee Resources box.
On the Tax Forms page, you can select to see your current W4, your W2 or a W2c (only if a corrected W2 had to be produced for you). Click on W-2 Wage and Tax Statement.
On the W-2 Wage and Tax Statement page, select the tax year you want to see. (If this is the first year you have worked at F&M, you will only see 2014) Click the Display button.
After choosing year 2014 and clicking the Display button, a consent box will appear if this is the first W2 you are accessing electronically.
If you click the Cancel button, you will be taken to the screen that will show you your W2 information for 2014. You can click on the Printable W-2 button near the bottom left of the screen and print your W2.

Note: when viewing your W2 on the screen, you will only see the last 4-digits of your SSN, but when you click on the Printable W-2 button and go to the next screen to print it, your whole SSN will appear and will print.

If you click the OK button, an Electronic W-2 Consent screen will appear if this is the first year you are viewing your W2 (see the next page for a view of the consent screen).
If you find you are having problems with the timesheet page, try refreshing your browser. If you are using Chrome, try using Safari or Firefox. If that doesn’t solve the problem, then contact Payroll.
