

Safety AT YOUR Fingertips

LiveSafe is a mobile safety app that enables the F&M College community to easily connect with Public Safety.

Access F&M resources

Have fast access to important information and resources, including phone numbers and emergency procedures.

Share info with F&M Public Safety

Submit safety info and concerns. Attach a photo, video, or audio file. Send anonymously if you prefer.

Know what's around you

Use the Safety Map to see pertinent safety locations and nearby incidents.

Get safety alerts

Receive important, timely alerts from F&M Public Safety.

Use location sharing in an emergency

F&M Public Safety can see where you are in an emergency situation, allowing faster response times.

Get home safely, and help your friends

Use SafeWalk to virtually walk your friends home by watching them move along a map.

Download the F&M LiveSafe app

Download **"LiveSafe"** and sign up with your email. Enable location services & push notifications when prompted. Create a password and fill in your name. Search for **"Franklin & Marshall"** to select it as your organization.
