

Roschel College House  
Furniture/Room Information

**Double Room**

The New College House, completed summer of 2011, houses approximately 184 students. First-year students are centrally located on the north and south halls of floors 2, 3, and 4 in standard double rooms. Upper class students reside in the suites and apartments flanking the building. Window blinds are provided in all rooms. The furniture is not fixed in place and can be moved around. Because all residence hall rooms are fully furnished, the College does not permit students to bring upholstered furniture to campus.
